## Intel Oregon 2017 FIRST® LEGO® League Championship presented by Rockwell Collins

### Registration Information for LEAD COACH

Congratulations on your team's advancement to the Intel Oregon FIRST LEGO League 2017 Championship Tournaments. We are looking forward to seeing you at Liberty High School in Hillsboro, Oregon on Saturday, January 13th or Sunday, January 14th, 2018.

Assignment to either the Saturday or Sunday tournament will be based on first come; first serve. Some consideration will be given as to why a team can or cannot compete on specific days. A link to the online registration will be sent by email to the coach of record at 5:00 pm on Tuesday, December 12, 2017. If online link is not received by email on December 12th at 5:00 pm it is the coach's responsibility to contact Loridee Wetzel at [loridee-wetzel@ortop.org](mailto:loridee-wetzel@ortop.org) to assist you with the registration process. Registration cost is on a sliding scale of \$120-\$240 per team. This will be done in the same way as the Qualifying Tournament. A payment link will be provided.

**ONLINE REGISTRATION WILL OPEN ON Tuesday, DECEMBER 12, 2017 at 5:00 pm.**

**ONLINE REGISTRATION WILL CLOSE ON Thursday, DECEMBER 14, 2017 at 5:00 pm.**

- ❖ Teams that do not register online by the deadline will be assigned to a tournament by ORTOP. If you do not register and ORTOP assigns your team to a date, the coach must email back acceptance of your assigned slot or the slot will be given to a team on the alternate list.
- ❖ ORTOP will notify teams by posting a list of tournament assignments on [www.ortop.org](http://www.ortop.org) by December 31, 2017.
- ❖ We will invite 60 teams at each Championship Event. **This means that 60 teams will need to compete on Saturday and 60 teams will compete on Sunday. This is the maximum number of teams allowed in the Pit Gym according to the fire marshal.**
- ❖ **We strongly suggest that coaches talk to parents of team members as soon as possible to determine if Saturday or Sunday (or either) are possible for a majority of team members.**
- ❖ In the event of inclement weather or other unforeseen emergencies, ORTOP will determine if a majority of teams can attend before cancelling/delaying the start of the Championship. It is not possible for us to reschedule the Championships to other dates, usually.
- ❖ For those of you who need overnight accommodations; we suggest that you make those as soon as possible. Many other events happen around this time in Hillsboro and the hotels may already be booked.
- ❖ Upon receiving your online registration, the coach and other adults listed in your Championship application will be subscribed to the google group [OregonFLLChamp@ortop.org](mailto:OregonFLLChamp@ortop.org) to receive important updates and official Championship Tournament information.
- ❖ Coaches will be sent a link where the online Championship Tournament Coach Packet will be posted.
- ❖ Congratulations, try to relax, you've earned it!
